Association
FALL CLASSIC SALE 2016**

**Saturday, October 15, 2016
1 PM**

**David Carson Farms
and Auctions Service Ltd.
Listowel, Ontario, Canada**

Welcome,

On behalf of the Fall Classic Sale committee and consignors, I would like to welcome you to the 2016 sale. The consignors have dug into the heart of their breeding programs to bring a great set of shorthorns to Carson's on October 15th.

We are glad to welcome some new breeders to the sale this year. New this year viewing and bidding online is available through Live Auctions. Please feel free to contact myself or Jessy Milne-Smith for more info!

There is something for everyone in this year's sale. From a wide selection of bred females, to heifer calves that will make great show prospects or good hard working replacement females. There is also a herd sire prospect that maybe of interest to you.

We hope to see you sale day in Listowel. If you are unable to attend, please feel free to contact anyone listed in the catalog and we would be glad to assist you in a professional manner.

Blair Williamson

TERMS OF THE SALE

Win a Shorthorn Heifer Calf!

Naomie Rose 10D has been graciously donated by Huron Grove Farms. This pretty red neck roan heifer is sired by HC Free Spirit 6Y, the 2012 reserve champion bull at Agribition. Her dam 15X is a never miss cow from Hill Haven. A maternal sister by Perfect Storm is earning her keep at Hill Haven. 10D would make a great addition to anyone's herd.

The Ontario Shorthorn Association would like to say a big thank-you to Fraser Hodgson for donating Huron Grove Naomie Rose 10D!

Tickets are \$10 and are available from any OSA Director. They will be for sale on sale day.

Blossom 130D is a big time show heifer. For the new owner she will be entered at the Royal! But her true worth will be down the road producing her progeny. If you trace back you can see Hill Haven and Shadybrook genetics on the cow side. Sired by Saskvalley Pioneer, maybe old school genetics- but who said old was bad? We all know how good the Pioneers go on to make real cows.
