

Ontario Shorthorn Association **FALL CLASSIC SALE 2019**

Saturday, November 16, 2019 1 PM

**Maple Hill Auctions
Walkerton, Ontario, Canada**

Welcome!

It is my pleasure to welcome you to the 2019 OSA Fall Classic Sale. 2019 has been an interesting year to say the least. Even through tough conditions the shorthorn breed continues to excel. The offering may be smaller this year but we feel it is high in quality.

The consignors have selected from the hearts of their programs to assemble this set of cattle. Whether you are a commercial producer looking to add females for the long term to your program or a junior looking for next years project there is something for everyone.

We look forward to seeing you sale day. If you are unable to attend please feel free to contact any of the sale contacts on this page or any of the consignors listed on the back cover. All the best!

Blair Williamson

Schedule:

Saturday, November 16, 2019

10am - Cattle available for viewing

1pm - OSA Fall Classic Sale

Location:

Maple Hill Auctions

Between Hanover and Walkerton

1100 Bruce Rd 4, Walkerton, ON.

WCC BOBBY'S GIRL 110W

Paint Me 6G is a full sib to the young white heifer calf we offered last year, and I have a strong feeling this March roan calf would give her a run for her money. This female is really long made all over from her hooks to pins, her total spine length and her feminine neck, all while maintaining a large centre body and depth of rib then tying it all up in a pretty neat roan package. This heifer is one of the easiest feeding calves we had this summer and that's what we all want right? Something that will look good but cost less to feed them while doing it, I know I do! The genetic homework is done to go out and make a great show female then continue after her show career and become a pretty front pasture Shorthorn cow!

CRAWFDOWN MAID 25B

CRAWFDOWN MAID 19Y

Sure things are rare in life but this heifer brings all the ingredients to the mix to make the odds in her favour. Her dam has brought a string of great calves to our herd both with superior performance and show winning style. Sugar's oldest full sister ARK Maid's Gold Star has proven herself with 2 outstanding calves, and a Res Champ win at Lindsay. Great udders and plenty of milk in both dam and sisters make this powerful growthy heifer a great choice for a foundation female.

GLENROTHES ROSEWOOD 10C

GLENROTHES RENA ROSEWOOD 1X

Take a close look at this quality female. She is well-balanced and structurally sound. This May heifer is a product of our Rosewood cow family, which has stood the test of time, both in the show ring and the pasture. Her dam was part of our show string in 2016 and her grand dam, Rosewood 1X, was a champion many times over. Rosewood 19F has been identified as a standout by several visitors to the farm. She has a great disposition and is triple clean by pedigree. Bred to JSR Mr Right for a May calf.

DF Talladega 3X

MSF 8Y - 50P daughter

Offering 3 exportable embryos. Rose 50P has been a foundation cow in many progressive programs. She started her career at McBeth Shorthorns in Saskatchewan before making the trip to Maplestone Farm to be a cornerstone in their program and now resides at Byrne Boys Operation and is still in production at 15 years of age! The mating to DF Talladega makes for an exciting twist on this proven cow. No guess work buy with confidence. Embryos stored at Heartland Veterinary Clinic in Listowel.

50P grandson

Red Rose Alex Raggedy Ann 21G is long sided and feminine fronted daughter of Lehne Alexander. Our calving ease sire that is leaving his second exceptional calf crop here. Her pedigree goes back to the Raelynd Raggedy Ann's of Ian McRae. Years of great pedigree, phenotype, functional females in a sweet red package!

TERMS OF THE SALE

The terms are cash unless other arrangements are made with the seller before the sale. Full payment must be made immediately following the sale to the Clerk of the Sale by cash or cheque. Release of animals will not take place until satisfactory settlement arrangements have been concluded with the seller.

BIDS: All prospective buyers must register and receive a bidding number in advance of the sale from the Clerk of the Sale by providing full and acceptable I.D. The highest bidder shall be the buyer. All bidding disputes will be settled by the Auctioneer and his decisions shall be final.

RISK: All animals are sold as is. All animals are at the buyer's risk as soon as your number is called by the Auctioneer and declared sold.

ERROR/ANNOUNCEMENTS: Any errors, changes and/or additions to the information printed in the catalogue will be announced from the auction block and such announcements shall take precedence.

WARRANTIES: Animals are sold under the standard breeding guarantee endorsed by the Canadian Shorthorn Association.

GENETIC DEFECTS: TH status or other defect status will be advised in the catalogue or by announcement.

DELIVERY: It is the buyer's responsibility to make arrangements for delivery. Consignors will assist in making arrangements where possible.

CERTIFICATES: A transfer and Certificate of Registration for registered animals will be furnished free of charge to the buyer by the Ontario Shorthorn Association.

LIABILITY: Every effort will be made to ensure a safe and comfortable environment for those attending the sale. Neither the sellers, facility owners, Ontario Shorthorn Association and it's Officers and Directors, Auctioneer or sale personnel assume any liability for any accidents or property loss that may occur.
