Ontario Shorthorn Association Members

RE: OSA - Annual General Meeting

Hello Everyone;

First of all, I hope everyone is well in these challenging times.

As you can appreciate, given the present circumstances relating to the COVID-19 Virus, it has been necessary for us to cancel the Ontario Shorthorn Association - Annual General Meeting scheduled for April 18th in Peterborough. In lieu of our meeting, we will be preparing an Information Package with summaries of our past year's events, and plans for the upcoming year which will be distributed to each member by mail in the next few weeks.

While it is unfortunate that we are unable to formally get together, the OSA would like to proceed with plans for the upcoming year and the election of our Board members to establish our Executive. There are three Board member positions with terms expiring in April. We are seeking candidates to fill these three vacancies. If you are interested in becoming a Director on the OSA Board, please contact Blair Williamson at (519) 808 - 0516 by March 29, 2020 to obtain more information and discuss these opportunities.

Thank you for your understanding of this situation. We look forward to seeing everyone soon.

Kindest regards,

Jamie Blenkiron,
President, Ontario Shorthorn Association
